

Pianist at Promenade's lobby lounge

KOTA KINABALU: From 7 Feb, talented pianist Ms June Tan (pic) will be debuting at Promenade Hotel's Lobby Lounge.

Ms June is no stranger to the hotel scene having performed at 5-star hotels in West Malaysia and Kota Kinabalu. The soft-spoken lady from Penang inherited her musical talent from her father, who was the leader of

a band in his own time. Currently a lawyer by profession. Ms June started her career in music as early as 1979 when she was a Yamaha Music Instructor for a local Music School. Moving on, she later joined a local dance band "Popular Entertainers" as their keyboardist.

At Promenade Hotel, Ms June will continue to enchant guests with evergreen classics and latest favourites from her enormous repertoire every Monday night. Whilst enjoying the sound of music from Ms June, patrons to the lounge can savour the many delightful cocktails and light snacks available at the Lobby Lounge and the Deli Side Walk Café. This February especially, the lounge will be featuring the "Valentine Set Special" whereby any order of two Valentine's Cocktails will come with a free gift of one heart-shaped chocolate praline.
