

June plays a happy tune

TALENTED and versatile is June Tan, the Melaka Grill's pianist.

Having played the piano for 20 years, June plays everybody's favourite songs.

A visit to the Melaka Grill will confirm that June certainly does have a wide repertoire of beautiful tunes to entertain you.

She specialises in middle-of-the-road standards and contemporary pop tunes.

However, June delights in playing old favourites which are soothing, inspiring and relaxing.

Performing Mondays to Saturdays from 7.30pm to 11.30pm, June also provides music accompaniment to the grill's Wednesday Fashionable Luncheons.
